

**FIRST JUDICIAL CIRCUIT
COURT APPOINTED
FISCAL YEAR 2019-2020**

ATTORNEY APPLICATION

July 1, 2019 through June 30, 2020

To be included on the First Judicial Circuit Court Appointed Attorney Registry, an attorney must complete and submit the *Court Appointed Attorney Application* form to the Chief Judge. If you are currently an active attorney on the First Judicial Circuit's Restricted Attorney Registry or the General Attorney Registry you are required to complete a new *Court Appointed Attorney Application* form.

The Chief Judge reserves the right to approve or remove any attorney from the General or Restricted Registry.

➤ **RESTRICTED REGISTRY:**

In addition to the General Registry, the First Judicial Circuit will have a "**Restricted Registry**" of attorneys established by the Chief Judge. The restricted registry will be a listing of attorneys assigned to serve specific divisions in the following three areas of practice: Criminal (with the exception of Death and misdemeanors), Juvenile Delinquency, and Dependency & TPR divisions in each county within the First Judicial Circuit. Selections of the attorneys to serve on the Restricted Registries will be made by the Chief Judge in consultation with each Administrative Judge and the affected division judges. In qualifying cases where a conflict appointment becomes necessary, the court will appoint attorneys from the Restricted Registry unless and until it is determined no attorneys on the Restricted Registry are available for appointment. At that time, the court will appoint an attorney from the General Registry.

➤ **GENERAL REGISTRY:**

The General Registry of Court Appointed Attorneys is an alpha-rotating list in all of the case types listed in the attached Category/Case Type document.

THE DEADLINE FOR APPLYING FOR INSTALLATION ON THE RESTRICTED REGISTRIES CIRCUITWIDE IS MONDAY, JUNE 12, 2019. General Registry applications are accepted anytime through April 15, 2020.
